**Clerk:** You said "yes?" And are we glad, for without the Clerk of Session we wouldn't have a Church. You are THAT important. Come learn about what you have signed on for.

**Elder:** So you've been elected an elder. Yep, the controlling Council of the church, but how do you carry out that function? Churchy things like worship, sacraments, but more temporal like budgets and building and grounds. Come and get the scoop. Rev. Glorya Johnson

**Deacon:** Last year we explored what deacons do? This year let's talk about best practices for the work of the Deacons and resources to support your work. Come and let's talk and share. Charlaine Apsel

**Treasurer:** Just what it sounds like, so you're in charge of the books. How is this different from your secular work? What are all those funny disbursement names? Patrick Knight
