Brother Mark Gregory D'Alessio

is a Franciscan friar in the ecumenical
Society of the Companions of Francis and Clare.

A long-time seeker and practitioner of spiritual wisdom, he's initiated
into multiple spiritual lineages, both East and West, and seeks to renew the Christian
Wisdom tradition within a wider inter-spiritual framework.

Ms. Kaithlyn Pawlukojc

started practicing silence and awareness as a Peace Corps Volunteer in Tanzania.
She found herself in an environment where she had to take everything in,
so new and unknown, without judgment or immediate comprehension.

She seeks to create these continually to help people
reconnect to themselves and to others,
to the Divine within and without.

For a year now she has participated in a Franciscan Circle where they learn
about and practice the spirituality of Francis and Clare.
