

PRE-PRESBYTERY WORKSHOP
TUESDAY, June 27th
OLD FIRST PRESBYTERIAN CHURCH
HUNTINGTON
TIME 11:30 A.M.

Is meeting your "Budget" stressing your Session???
It is stressing the Presbytery Budget Team Task Force...

The Rev. Gloria Johnson and Deacon Patrick J. Knight, Treasurer of the Presbytery and from the "Budget Team Task Force", will lead a discussion on the "STEWARDSHIP COVENANT" that binds us all together as Presbyterians.

Our giving is a tangible expression of our gratefulness for the amazing life our Lord has given us. The tangible is of course money, but the whole experience is much more than that.

The Team strongly encourages every commissioner (Ruling and Teaching Elders) to join them for lunch where we will talk about the theology and mechanics of stewardship, Presbyterian style.

We will meet prior to the meeting of the Presbytery and the Team promises to send you all off with new ideas for how to live out this part of our ministries.

*Please **RSVP** to the Presbytery office to alert us of your interest (we will have to give United Adult Ministries a count for lunches).*

See you there!
