Per Capita is actually the opportunity for each of us to participate equally, responsibly and interdependently by sharing the cost of mission. It's the opportunity to share in our mission of performing ecclesiastical, legislative and judicial functions that identify a reformed church, and at the same time, strengthen the sense of community for all Presbyterians, bringing people together to discern the mind of Christ.

**Per Capita Percent Achieved 32.63%**  
**Mission Giving Percent Achieved 45.31%**

At this point in the year our Per Capita should be at 41%, but as you can see, we are a bit delinquent. I am hopeful that we can make a concerted effort to bring our Per Capita to where it needs to be. On another note, the current economy has outlined just how fragile things can quickly become. This is a strong Presbytery, and I am sure that we will overcome the financial crises headed our way. Christ has charged us with being good Stewards, and great Messengers. Let us continue to help others, and walk in God's light. As always, if you need to, call me at **631-499-7171**, or email me at: [finance@presbyteryofli.org](mailto:finance@presbyteryofli.org).
